1. Betty Riggs and her son Jerry. *Betty and Jerry were involved in a serious car accident on Wednesday, June 2. Jerry was driving and pulled onto Ronald Reagan and the car was struck on the passenger side by an oncoming vehicle. Betty is in serious condition with multiple broken ribs, hip and spine. She needed emergency surgery to stop internal bleeding. She is stable, but has numerous hurdles to cross on the road to recovery. Jerry was treated and released, but suffered bruises muscle soreness from the impact. Pray for the faith of all to remain strong, the healing to be blessed, and the will of God to be seen and carried out.*

2. Marvin Mueller. *Marvin suffered a mild stroke earlier this week which was discovered/diagnosed today. He is undergoing further tests to determine the cause and treatment plan moving forward. Keep him and his wife Marjorie in your prayers. Ask the Lord for healing and recovery and a strengthening of faith through this trial.*

FUTURE PLANNING UPDATE: (NO NEW UPDATES AS OF 5/30)

Over the last three months a group of about 20 members has been learning and discussing the future of ministry at Cross and Crown. We are seeking to refocus, revitalize and relaunch our ministry with a renewed energy and focus to reach those disconnected from Jesus with the certain hope of his life, death and resurrection. Honest evaluation and change can be challenging, but we do it knowing that God's word of truth brings certainty and guidance to our effort and our heart's desire is to become a greater impact and influence for the kingdom of God in our community. Here's a few summary thoughts from the discussions so far.

1. **RELAUNCH:** We agreed to work toward a complete RELAUNCH of our ministry. The group gave itself permission to begin with a blank slate and redesign a ministry that connects with the current culture and community needs.
2. **CORE BELIEFS:** These are not changing or going anywhere:
 - a. The Scriptures as the inspired Word of God and source of all truth for faith and life.
 - b. The Lutheran Confessions: Historic documents that summarize the teachings of the Bible and our Lutheran teaching of it.
 - c. Our association with the Wisconsin Evangelical Lutheran Synod (WELS).
3. **WHAT IS THE WIN:** "What would we expect as the Lord guides and blesses our work?"
 - a. A person hears the Gospel.
 - b. A life is transformed by the Gospel.
 - c. A soul is in heaven because of the Gospel.
4. **WHO ARE WE CURRENTLY CONNECTING WITH:** What is our "natural" or default "avatar"? (This isn't right or wrong, just current observation)
 - Traditional/Conservative
 - Grew up in the church
 - Conservative Lutheran/ WELS
 - Age: ~60
 - Some Bible Knowledge
 - Generally don't like change
5. **WHO WOULD WE LIKE TO CONNECT WITH/BECOME** ("Mike & Melissa")
 - Unchurched, but had some church connection. Not Lutheran.

- Would identify as "being Christian", but drifted from regular participation
- Children in elementary and middle school
- Not necessarily familiar with church/had bad experience w/ church.
- Have some desire/curiosity for spiritual growth for themselves and/or kids.

6. WHAT TYPE OF COMMUNITY WE WOULD LIKE TO BE/CREATE

- Loving toward one another
- Caring for one another/support for each other
- Growing together
- Real/vulnerable/authentic
- Having fun together.

7. SHIFTS:

- We have been a traditional church with a contemporary component. We are becoming a contemporary church with a traditional component.
- Shift from "formal, reverent, traditional" look and feel to casual, relational, contemporary" look and feel.

NEXT STEPS/PRIORITIES

- We discussed a number of potential updates/changes to the current facility, entry area, worship space, and outdoor garage and play area. (a full list of ideas can be provided.)
- Initial priorities include:
 1. Update main entry with covered gathering space and additional entry points
 2. Update seating in the worship space for flexibility
 3. Update fellowship area to be dedicated kids' ministry
 4. Add patio and covering in front of garage
 5. Update playground area for kids

LATEST UPDATE:

1. We received a proposal from Bob Galloway of FGM Architects to design a site plan and interior design options to serve the current and future ideas. We will be reviewing his proposal of scope of work and cost. (<http://www.jacksonsgalloway.com/>)
2. We are working together to put together a "Vision Book" to capture the many ideas (Mission/Vision/Values/Focus etc.) we have discussed in a focused understandable way. This will be shared with the congregation for review and then a Voters' meeting will meet to approve direction. (Still in process – 5/30)
