R3 PROJECT UPDATE

October 28, 2021

CC Mission: To be a community where faith and life intersect!

R3 Project: Revive, Renew, and Relaunch

Purpose: Create a Sustainable Church for the Future.

How: Update the current ministry approach, setting and culture to share God's life changing message in a real, relevant, and rejuvenating way to share hope and encouragement for the challenges of today and tomorrow.

Wins this week:

- Finishing the kitchen countertops (Thanks to Mike Denton & his dad!)
- Four Giving Tags contributed
- One of those tags was for a grill for fellowship meals – Purchased!
- Approved for a Builders for Christ/Kingdom Workers team in Jan/Feb

Updates:

- DIVINE SAVIOR partnership: The executive board at Divine Savior Ministries updated us this past week that they would not be able to consider a new location for the next 2 years. We will connect in a year or so to see where their plans are at as well as ours.
- PATIO/CEMENT update: We are working with the city of Georgetown to get the proper engineering paperwork. We are seeking an engineer who can do this small project at a reasonable price.

HELP NEEDED – NEXT STEPS

- Save the date: November workday is November 13
 - o Set up Christmas Drive through
 - o Work on Garage Patio
 - o Prep for Builders for Christ workers
- Prepare to host the Builders for Christ
 - o With potential supply chain and inflation issues in the next months, perhaps consider buying a case of water, non-perishable snacks or a meal. (We will need to provide 5 meals/week for 8-10 people plus 1 meal a week for the workers plus our volunteers (25-30 people). Talk to Christy Geiger for information.
